

The 2018 SIAM Great Lakes Section Annual Meeting

April 21, 2018

Organizers

David Lamb
Catherine Lebedzik
Hengguang Li (Chair)
Jose-Luis Menaldi
Boris Mordukhovich
Pei-Yong Wang
George Yin
Zhimin Zhang
Zeyu Zhou

Keynote Speakers

Dr. Patrick Louis
Distinguished Professor
Department of Mathematics
North Carolina State University

Dr. David Gorsich
Chief Scientist
US Army RDECOM-TARDEC

Call for minisymposia and contributed talks

1. Topics related to applied mathematics.
2. Each presentation generally is 20-25 minutes.
3. Each minisymposium section allows 3-4 speakers.
4. Graduate students and young researchers are particularly encouraged.

Important dates

1. Deadline for minisymposium lectures and contributed talks: **04/07/2018**.
2. Deadline for general registration: **04/15/2018**.

Please check conference page for more details:

Dr. Sebastian Schreiber
Professor
Center for Population Biology
Evolution and Ecology
University of California, Davis

Dr. Chi-Wang Shu
Theodore B. Stowell Professor
Division of Applied Mathematics
Brown University

SIAM
Society for Industry and Applied Mathematics

WAYNE STATE
UNIVERSITY

The Great Lakes section of SIAM (GLSIAM) was formed in 1988, to serve Michigan, Northern Ohio, Northern Indiana, Southern Ontario, and the surrounding areas. It organizes its annual conferences around themes reflecting its members' evolving interests within applied mathematics. Topical disciplines have included Computer Aided Design, Computational Fluid Dynamics, Numerical Solutions of PDEs, Complex Systems, and Bio-Mathematics. The 2018 meeting will take place at State Hall, Wayne State University on **04/21/2018**.

If you have any questions, please send email to: li@wayne.edu or fh2216@wayne.edu.
